The Prophets and their Followers between Being Deported from their Land and Being Strengthened on Earth

*Nayel M. Abu Zeid**

ABSTRACT

The present study deals with the issue of strengthening Muslim believers on earth through verses of the Qura'an. Such strengthening allows Muslims to defend their own land against their enemies and those who try to deport Muslims from their land. The ways of how to achieve control over land are identified through verses of the Qura'an and Prophet Mohammad's Sunnah.
