The Nature of the Lawful Rules Organizing the Copy Right in the Jordanian Law

*Na'el Masa'deh**

ABSTRACT

Reclining on the great importance of the copy rights, the Jordanian legislature considers the lawful rules organizing the copy right part of security and police rules.

Thus, the Jordanian judge should apply them directly on his case if it was relating to these rules, with no regard to the rules of conflict.

These rules must be applied to the case including foreign element, regardless the subject of the case whether financial exploitation right or literary right.

Keywords: Copy Right, Lawful Rules, Jordanian Law.
