## Parts and Conditions of “The Re. Consitration Syatem” in the Islamic Criminal Science, A Comparitine Study with Punishment Laws of Jordan

*Imad M. Al-Tamemi\**

### ABSTRACT

The reconsideration system in the modern Criminal Science is currently regarded as one of the methods of post care that is presented to those who have left prisons and judicial establishment. It is necessary to reach justice and to realize the targets of legislation of imposing punishment. Because the matter of such importance, it is natural to promote the judgment of this system in the frame of legislation and law.

This research is considered a humble contribution in uncovering some aspects of the system. In this area it enlightens all of the system parts and conditions with the evaluations of these parts and conditions in the Islamic legislation standards.

**Keywords:** The reconsideration system Criminal Jurisprudence.
