**Interpretation of Marginal Annotations of Al-Kashaf,
"Comparative Methodical Study"**

*Mohammed Mjalli Ahmed Rababah**

ABSTRACT

The research aimed at studying the printed explanations of the interpretations of Al-Kashaf, which specialized in its several aspects. The research computed and studied them successively and attracted attention to lacking points in some of them. The study started with explanations which explained Al-Kashaf interpretations which are two: the first which for Mohaib Al-Deen Afandi and the second for Mohammad Olayan Al-Marzoqi. Also, the study defined these two interpretations and the reason of writing them, described each one with displaying the methods by using examples and analysis, comparing between them, and following up with footnotes which dealt with the interpretation, ideology, including eloquence, language, syntax, strange words, and the footnotes which interpreted the novels and traditions. The study purposed to clarify the importance of these studies in providing interpretation library with useful subjects which may be omitted by researchers.

Keywords: Holy Quran Interpretation, Explainers' Methods, Interpretation Explanation, Hadith Shareef Exposition.
