Modernity and Its View of the Prophetic Text (Khalil Abdel Karim)

*Ibrahim Barakat Awwad**

ABSTRACT

This study aims at showing Modernists' position towards the Prophetic Hadeeth text represented by the view of one their writers, Khalil Abdel Karim. The study concluded that he dealt with the prophetic Hadeeth text through its implications regardless of the (Sanad) and saying of its time, freeing from its domination, as quoted by him, and the arbitrary in its explanation with contradiction in some handlings.

Keywords: Modernity; Prophetic text; Khalil Abed Al-Rahman.
