**The Examining of the Surat Al-Fatiha from the Interpretation of
Durj Al-Durar of Imam Abdelqaher
Aljerjani Perspective**

*A. Abu Hazeem and H. Diab**

ABSTRACT

This research aims at examining the Surat Al-Fatiha from Imam Abdelqaher AlJerjani perspective. As it is discussed in his book “Durj Al-Durar in the Holy Quran’s interpretation”. In addition, this research contains the discussion of the Imam Abdelqaher’s era in terms of political scientific and social aspects.

Furthermore, the present research discusses the author’s biography from birth to decease with the mentioning of some of his venerable scholars, disciples, and several of his publications. The documentation of Abdelqaher’s book proportion, his approach in interpretation, his sources in the book, and the description of written manuscripts of his interpretation while revealing the current researcher’s approach in the investigation and elaboration, are all discussed.

The research examines the manuscripts, and comments on it for the purpose of serving the interpretation and eliminates misunderstanding while seeking aid from specialized sources. The conclusion contains the most important results of this study.

Keywords: Surat Al-Fatiha; Imam Abdelqaher Aljerjani.
