The Rule of UN Existence in the Islamic Law as the UN Seen Existence and Its Implications in Jurisprudence

*Mohammad Hamad Abdul-Hamid and Ahmad Zaki Al- Rababeh **

ABSTRACT

This work deals with the explaining the rule of un existence in the Islamic law as the existence in the sense and its applications in the principles and jurisprudence. This means that the share'ah law should be criterial to distinguish between the right and wrong. This work shows the important of this rule in the Islamic jurisprudence. And its implications in the branches of jurisprudence used by many scholars.

Keywords: UN Existence, False, Rules of Jurisprudence.

* Faculty of Jurisprudence and Law Studies, Al-alBait University, Jordan. Received on 12/11/2009 and Accepted for Publication on 28/9/2010.
