The Possibility of Excluding some Insured Risks from the Insurance Scope

*Ghazi Abu Orabi**

ABSTRACT

This paper deals with clauses agreed upon, inserted in the insurance contract including some risks from the scope of insured risks. The paper deals with Validity of such clauses and the protection of insured person considered as weaker party in the contract of insurance.

The paper highlights the position of Jordanian courts, it pays particular intention to comparative doctrines and legislation.

Keywords: Insurance, Jordanian and Comparative Legislation.

* Faculty of Law, University of Jordan, Jordan. Received on 18/4/2006 and Accepted for Publication on 25/2/2007.
